Looks good to me, also, including removing the sentence regarding the white paper.

Looks good. I agree that the sentence regarding the white paper should be removed. Thanks all.

Attached are some revisions (minor edits to first paragraph, two additional sentences to second to last paragraph) on the draft letter. I “accepted” all of Tinka’s edits on the earlier draft, so those are included in the attached. The last two sentences are my attempt to capture what Bob and I discussed.

Thanks,

Gary

Tinka - I talked with Bob and he suggested an approach that I think makes sense and is consistent with your edits on the draft. I’ll edit the latest draft of the letter (as you revised it) consistent with what Bob and I discussed and send it back to you this afternoon.

Thanks,

Gary
